Welcome to the 2006 AMA District 37 Awards Presentation

Another year gone by. 2006 was a banner year for D-37 – more races more riders. Again, we were plagued with high fuel costs, the constant threat of land closures and sound issues, but we prevailed through it all. Tonight is proof that we are here to the end for a sport that we love. Where else can you go drop a couple hundred dollars to get there, another couple hundred for repairs on your bike or quad, push your body beyond any limits set by any other sport and go to work on Monday, all stiff with muscles not working normally, and still have the biggest grin on your face when you recall what you did and accomplished the day before.

Before you tonight are the men and women who put their bodies through the most during 2006, along with their families, clubs and friends. Whatever awards they get tonight, they earned by all their hard work and dedication to a sport we all have come to love as Off- Road Racing. While you are congratulating the top riders tonight, when you see District Officers and Stewards be sure to thank them for all their hard work and volunteering their valuable time so that D-37 is possible and so Desert, Enduro and Grand Prix events will continue.

KEEP THE RUBBER SIDE DOWN and no matter how you finish look back and proudly say **WOW , WHAT A RIDE !!!!!**
