THE VICTORS 1967 HARE & HOUND

Bruce Brown and his team of movie makers used the Victors Hare and Hound for many of the desert racing scenes in their movie On Any Sunday.

It was nominated for an Academy Award in 1972 as the best documentary. A movie on insects won the award but On Any Sunday inspired a nation of motorcycle enthusiasts to get into motocross and desert racing. Fifty years later it's still changing people's lives.
