* DENOTES TROPHY WINNER

RESCUE 3, YOU'RE #1

Thank you again for a super job, as usual, you got the injured riders out of the desert and bandaged in number 1 fashion.

We would like to thank So. Cal. for cleaning up some trash bags left by a desert club! (Clean up your act Rams)

Rumor has it that the two Soreheads that started half way to the bomb will have a special starting line of their own in future races. Thanks to all you racers that left us with a super clean desert. That should sure make the BLM happy.
