Rescue 3 for helping those who lacked skill or suffered momentary poor judgment. *Ouch!*

Grumpy for the great photographs.

Mother Nestor who planned a great event but could be personally improved if he obtained the breasts to fit his persona.

It was rumored that there was only one Checker complaint. This is the yardstick by which we measure our success. In our estimation, this is cause for spirited celebration and heralds what may only be called a Great Race. Sadly to say, this was SoCal's 50th and Final Turkey Chase. We can no longer compete with the D-37 M/C for the date on Thanksgiving Day. *But don't despair!* For those of you who enjoyed our very last Turkey Chase Hare & Hound, we'll just hold Thanksgiving in April!

SoCal M/C plans to continue our tradition of Great Hare & Hound racing in April 1995.

*See ya in the DEZ in April!*
